

Di Stazzano

SENZA GLUTINE

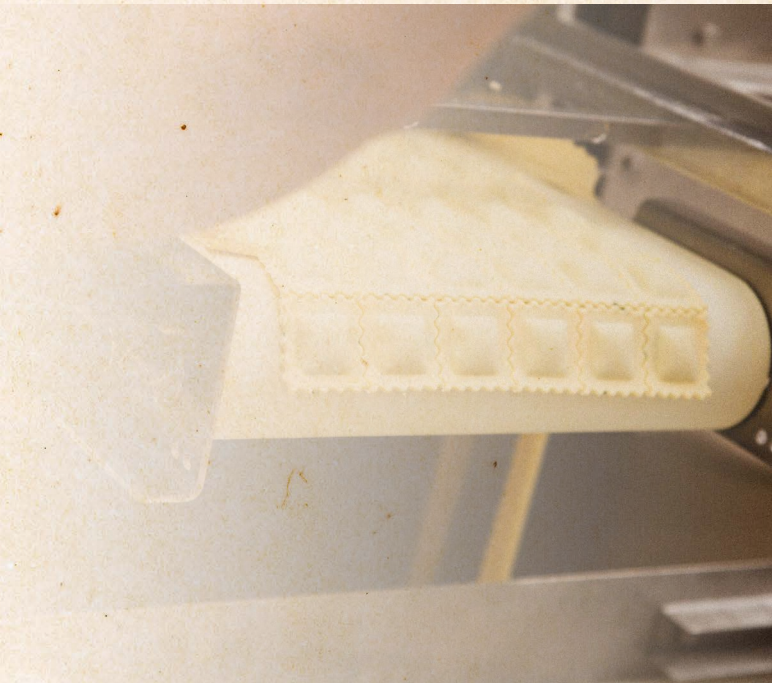

**The gluten-free ravioli
that bring the family together**

Stazzano is in the most important gourmet district of Italy, where culinary tradition and innovation blend in unique products.

Di Stazzano is a artisanal producer, both the pasta and the fillings are in house produced, the final product is suitable for restaurants and for demanding customers.

Our products are also appreciated by the non-celiacs.

Products

After creating the perfect gluten-free pasta, we went further. To obtain the best gluten-free ravioli, the filling also had to be up to par. This is how the Di Stazzano fillings are born, cooked by hand every day by our chefs.
